Standard Admin Icons is a compilation of icons that can be used for network utilities, websites, and also for standard applications. Standard Admin Icons includes available vector sources that make the icons look crisp and clear on any presentation image or poster-size prints. The Standard Admin Icons set consists of 68 images, and includes icons representing objects, actions and symbols typical for many system administrator tools. The set includes icons depicting symbols for Www, PHP, SSL, About, Add Account, Auto Reply, Calendar, Customers, Database, Enable and Disable, Documents, Domain Name, Edit Account, E-mail Software, Error Page, Filter, FTP Accounts, Help, Info, Lock and Unlock, Logout, Logs, Mail, Maintenance, PC, Print, Properties, Remove Account, Reports, Server, Settings, Statistics, Tools, User and User Group, Web, Web Statistics, Error, Host, and many more. Standard Admin Icons are ideal for designing communication terminals, network configuration and diagnostic tools, off-line and Web-based statistics and log analyzers, and control panels of Web management suites. The icons are instantly available - no need to specify your graphics and wait for completion! All 68 icons are available in a variety of sizes, resolutions, color and file formats. Each image comes in resolutions of 16x16, 20x20, 24x24, 32x32, 48x48, and 256x256 pixels. Color depths include True Color and 256-color variants. All images are supplied in ICO, PNG, GIF, and BMP formats. If you need higher resolution, source graphics in vector format are also available in the form of Adobe Illustrator (AI, EPS) files.
