Download Ashampoo Disk-Space-Explorer 2018About Me Menu AIGAS - Victoria I've been running AIGAS since 2009, but have had a passion for music and sound design since the beginning. I listen to a huge variety of music and am constantly trying to mix new genres, but most of my time is spent on ambient, 'dreamy' trance. I like to create sounds from scratch, sometimes making soundscapes, sometimes working with samples and sometimes using the library AIGAS provides. I also enjoy tinkering with the less powerful PC synths on offer.Q: Проектирование Web-приложения, написание классов и через Javascript - лично? Такая проблема: мне нужно создать например, класс Base, который будет инициализирован всю веб-программу, в основе к нему дополняется класс Item и следовательно не нужно делать достаточно написанных компонентов.
