Sign up for free. Already an Apple Music subscriber? Log in to your account. Bored of all the blockbuster music out there? Try turning it up to 11 and dive into this musical deep end for a truly unique music experience. When this station debuted on January 25th, 2008 as the first Australian station designed exclusively for digital music, it had a lot to live up to. At the time, its competition did not really exist; it had to create the music world as we know it, and it did. That's why we get it. Apple Music is "Your Plan B" 595f342e71
