1) RISE and GRACE RACE

Elden Ring consists of Rise, the hero, and Grace, the heroine. When the player occupies a position within a specific range of the NPC, they have the option to enter a battle, if the player has acquired the learning points necessary. Once in a battle, the player is presented with various options to decide how the battle will end. These choices include the use of a skill, special attacks, and other several'rescue functions' for the player. Be sure to choose the optimal option for each battle!

2) DASH SYSTEM

Elden Ring introduces 'DASH' as the event system, allowing dramatic action to occur during boss battles, other gameplay situations, and the event mini-games.

To enter a battle, 'DASH' can be entered into by either selecting the desired character and pressing down the action button on the item equipped, by pressing the action button on the character stand if equipped, or by using the skill as equipped. When participating in a battle, the status of your magic is altered by the attack, and the battle enters the 'dash' state. During the entire battle, if you press the action button, you will use the skill equipped at the start of battle, and if you hold down the button, you can use the equipped/
